It's expected to be 10 until Noon, although Kathy Hodgkiss put it on all of our calendars for 10-5. I'm guessing we'll have some follow-up time among the EPA groups afterward (but certainly not 5 hours!)

We will also have our morning update (8:30 in the 8th floor response room) tomorrow morning, which we can use to share info/prep as needed.

I believe that HSCD was preparing some talking points for you and Ron for the meeting, although I haven't seen them.--

How long is the Cabot meeting planned for? I have 10 am on my calendar but don't know what to plan for ending time.
Thanks.
